### METAL-ERA RELEASES NEW PRODUCT LITERATURE

Waukesha, WI—Metal-Era, Inc., the national leader in commercial roof edge and roof ventilation solutions, announces the release of their updated Edge Systems One brochure.

The brochure updates the information found on previous versions and provides a new, handy comparison sheet on the back.

“I’m pleased with our new brochure. It does a great job of summarizing the features and benefits of our Edge Systems One line of products,” says Chief Operating Officer, Tony Mallinger.

Edge Systems One is Metal-Era’s economical line of roof edges. The line offers unbeatable lead times for 13 popular express colors, with next day shipping on most orders. Edge Systems One products are ANSI/SPRI ES-1 tested as required by the IBC.

The new brochure is available immediately on Metal-Era’s website, [www.metalera.com](http://www.metalera.com), or can be requested by calling 800-558-2162.

#### About Metal-Era, Inc.

Since 1980, Metal-Era has been committed to unequalled service in the industry, and has provided a wide selection of engineered roof edge systems designed to meet the roofing industry's strictest standards. In 2006 Metal-Era introduced an innovative line of airflow
