

Edge Systems **ONE** ECONOMICAL | FAST | TESTED

One Coping

A High Performance System at an Economical Price

We developed the Edge Systems One line with the contractor in mind. Combining a highly engineered and tested product with quick-to-ship convenience and economical pricing, Edge Systems One will simplify your projects - and maximize your profits.

One Coping can be a more cost-effective solution than fabricating in your own shop. Our fast lead times and easy installation translate directly into decreased labor costs and enable you and your team to move on to other projects more quickly.

Flat Version

▶ Try Edge Systems One's quick-to-ship products and see how Metal-Era can help to deliver your project **ON TIME AND ON BUDGET.**

High Quality

- ▶ Carefully designed and ANSI/SPRI ES-1 Standard to comply with the International Building Code
- ▶ Covers manufactured in 24 ga steel, 22 ga steel, .040", .050", & .063" aluminum
- ▶ 10 year, 90 mph Warranty
- ▶ Factory Mutual approved for wind uplift protection

Economical

- ▶ Decreased labor costs due to easy installation
- ▶ Higher overall profit on your construction projects

Easy Installation

- ▶ Manufactured in convenient 12' lengths with pre-punched fastening holes to ensure correct fastener placement and spacing
- ▶ Slotted holes provide for proper thermal movement of the materials
- ▶ Choose from a wide range of warranted colors and finishes that are sure to match your building

With Metal-Era's SPEQ promise of speed, protection, expertise and quality, you are assured that Edge Systems One is backed with quality and service guarantees.
