

ENDURA™ EDGE

Multi-Ply or Modified

A High Performance System at an Economical Price

We developed Endura™ Edge with the contractor in mind. Combining a highly engineered and tested product with quick-to-ship convenience and economical pricing, Endura™ Edge will simplify your projects – and maximize your profits.

Endura™ Edge can be a more cost-effective solution than fabricating in your own shop. Our fast lead times and easy installation translate directly into decreased labor costs and swift completion of projects, enabling you and your team to schedule additional work at the same time.
