

# HIGH PERFORMANCE AT A PRICE THAT FITS YOUR BUDGET

Edge Systems One® was developed with the contractor in mind. Combining a highly engineered and tested product with quick-to-ship convenience and economical pricing, Edge Systems One fascia will simplify your projects - and maximize your profits. One Edge fascia can be a more cost-effective solution than fabricating in your own shop. Our fast lead times and easy installation translate directly into decreased labor costs and enable you to move on to other projects more quickly.
